*do not use version rusty iron on tiling, paving, wood, ...

Product Description

SAMPA FL is a Led bollard that is particularly well-suited to ambient, boundary and guidance lighting thanks to its glare-free illumination. It is a quality product made from aluminium or 'Rusty Iron' steel. Thanks to its design and the many colours and variants available, SAMPA FL will fit in perfectly along your pathways or in your gardens and parks, not only creating atmosphere but also adding a touch of originality and modernity.
